Spirochetal and
Tick-borne Diseases

Medscape

Online Conference Coverage

An Internet-Based CME Activity:

14th International Scientific Conference on Lyme Disease and Other Tick-borne Disorders

April 22-23, 2001, Farmington, Connecticut

Authors:

Brian A. Fallon, MD, MPH, MEd, Columbia University College of Physicians and Surgeons, New York, NY

Harry Goldhagen, MS, Site Editor, Medscape Infectious Diseases

Robert Mocharnuk, MD, Keck School of Medicine of the University of Southern California, Los Angeles, CA

Julie Rawlings, MPH, Texas Department of Health, Austin, TX

Learning Objectives:

Upon completion of this self-study activity, participants will be able to:

- Differentiate between Lyme disease and other tick-borne diseases
- Determine the best diagnostic tests for each stage of Lyme disease
- Evaluate the most effective strategies for the treatment and prevention of Lyme disease
- Recognize and contrast the diverse presentations of Lyme disease and other emerging infectious diseases

To access this free activity:

- 1 Go to: www.medscape.com
- 2 If you are not already a member, register for free
- 3 Go to: www.medscape.com/Lyme2001

Accreditation:

This activity has been planned and implemented in accordance with Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Medical Education Collaborative and Medscape.

Medical Education Collaborative (MEC), a nonprofit education organization, is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Medical Education Collaborative designates this educational activity for a maximum of 1.0 hour in Category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
